

## Feed Louisville by the numbers

**13%**

of Louisvillians don't have reliable access to food

**10,000+**

Louisvillians live outdoors at any given time

The EPA estimates

**35%**

of all food grown or produced in America goes into the landfill untouched

## OUR RESPONSE

As of January 2023, Feed Louisville has moved

**50** people into permanent housing

On average, our hotel-to-housed program assists **12** people a month transition from the streets to permanent housing

**150** unhoused folks are currently hosted in hotels

The cost to move a houseless person into housing

**\$20,000**

**100,000**

meals prepared for our houseless & food insecure neighbors last year

We diverted

**160,000**

pounds of food waste from the landfill last year

**\$3.25**

Average cost of each meal we produce

The value of that food was

**\$275,000**

Homelessness is a humanitarian crisis happening every day in our community.

We are here to change that.
